*LANDMARK*™ **SERIES** takes roofing  
to a higher level

Shown in Max Def Weathered Wood

## SO MUCH DEPENDS ON YOUR ROOF.

What's under your roof? What's your roof protecting?

Your family. Your possessions. The integrity of your house.  
All under one roof. All protected by the same investment.

When you choose Landmark™ Series Shingles, you make the decision that assures the beauty, durability and security of your home for generations.

Landmark Series takes roofing to a higher level. It's engineered to outperform ordinary roofing in every category, keeping you comfortable, your home protected, and your peace-of-mind intact for years to come with a transferable warranty that's a leader in the industry.

## LANDMARK™ SERIES performs

### exceptional value

Landmark Series offers three levels of high performance shingles in weight and thickness. The heavier the shingle, the more depth, thickness and dimension it offers. All three offer the exceptional value of the industry's toughest fiber glass mat and the strongest materials available.

- **Landmark™**  
235 lbs., 30-year warranty
- **Landmark™ Plus**  
265 lbs., 40-year warranty
- **Landmark™ Premium**  
300 lbs., Lifetime warranty

### lasting beauty

Landmark Series shingles endure time and weather beautifully. They come with our exclusive 10-year StreakFighter™ warranty, protecting your roof from streaking that can be caused by airborne algae.

### something extra

For the highest durability and thickness, ask about the triple-layer Landmark™ TL. Ask your contractor for a Landmark™ TL brochure.

# tips for selecting a roof

**1.** Think big – View a full-sized shingle, not just a swatch or sample.

**2.** Be real – Look at actual houses where the house and roof color combinations are similar to what you're considering.

**3.** Watch the light – As you look, notice how colors appear under changing light conditions and at various times of day.

**4.** Consider the pitch – Look for roofs with a similar pitch to your own. A roof's pitch affects the way you see its color.

**5.** Ask your contractor – They might be able to point you to a home where they've installed a roof of your style and color.

**CertainTeed**

### WinterGuard™

Waterproofing underlayment prevents leaks caused by ice dams and wind-driven rain in the vulnerable areas.

### Roofers' Select™

High-performance underlayment is a secondary barrier against leaks for the entire roof.

### Shingles and Accessories

High-quality shingles are covered by one of the best warranties in the business. Accessory products - starter course, and hip and ridge cap shingles - complete your roof from start to finish.

### Ventilation

Proper attic ventilation improves air circulation. Air Vent, Inc. ventilation products are recommended for use in connection with the Integrity Roof System.

### Enjoy the extra confidence of SureStart™ Protection

Your Landmark Series warranty is strong on its own. But, you also get the added confidence of SureStart protection. That simply means if any problem due to a manufacturing defect occurs during the SureStart period, call us. Upon inspection, we'll cover labor and material replacement costs at 100%.

# not sure which color to pick?

## CHECK OUT CERTAINTEED'S COLORVIEW.™

ColorView™ is CertainTeed's interactive tool to help you visualize product style and color options. Using it is easy. Just go to [www.certainteed.com/colorview](http://www.certainteed.com/colorview).

**green &  
growing.**

We've put green thinking behind our shingle and environmentally sound manufacturing ahead of standard industry practices to produce a product line that is green and growing.

CertainTeed is committed to resource conservation. Our roofing manufacturing facilities recycle close to 90% of the production waste into asphalt materials used for the construction of roads. We also integrate recycled content into many of our packaging needs including corrugated rolls and kraft paper.

They're small steps in a big world. But we're green and growing everyday. It's a commitment we take seriously at CertainTeed.

# easy selection

## What's behind our #1 rating?

Builders and remodelers across America know certain things to be true of CertainTeed. For starters, we've been in the roofing business for over 100 years. We have thousands of satisfied homeowners. The process of building that satisfaction begins the moment you turn to us.

CertainTeed offers you the broadest range of color and style choices. But you'll see it's not style over substance. You'll get a roof that's made from the highest quality materials and backed by a strong warranty program. It's our promise to you: quality made certain, satisfaction guaranteed.

## Add a little accent to your roof.

CertainTeed offers Mountain Ridge, an accessory product used for capping hips and ridges. It is the perfect finishing touch for your roof, offering blended color and high-profile design. CertainTeed also offers Shadow Ridge accessory, a low-profile design for capping hips and ridges.

# long-term protection

PARTNER OF THE YEAR

## Reaching for the ENERGY STARS.

As the 2009 ENERGY STAR Partner of the

Year for Energy Management, we are proud of our commitment to designing high quality, sustainable roofing products.

## Color Companion Products™

With CertainTeed Flintlastic® SA, you can coordinate flat roof areas like carports, canopies and porches with your main roof. Flintlastic SA is a self-adhering low slope roofing product available in eight colors that match some of the most popular CertainTeed shingles. Ask your contractor for more information.

*NOTE: Due to limitations of printing reproduction, CertainTeed can not guarantee the identical match of the actual product color to the graphic representations throughout this publication.*

Landmark™ Series available in areas shown:

*Lifetime, 40-year and 30-year limited transferable warranties, including 5- and 10-year SureStart™ protection, are applicable only in the United States, its territories and Canada; for products sold outside these areas, please refer to the International Warranty for specific details and limitations.*
