THINK OUTSIDE.®

Exteriors are more than a covering. They're as much a home design element as the textures inside your living room and the color scheme of your perennials. That fact is proven, beautifully, in the wide selection of colors, textures and shapes you'll find in our Portsmouth™ Shake and Shingles siding.

CEDAR SHINGLES

Rustic beauty is measured in more than shingles.

It's measured in naturally evocative warmth, and our low-maintenance **Portsmouth™ Cedar Shingles** siding provides it in droves. This conventional shingle style—when combined with stone or clapboard—delivers a stunning and inviting “one-two punch” exterior can transform the entire design of your home.

Colorful character: It's time to bring it out.

Portsmouth Cedar Shingles colors come in rich, expressive, durable and unforgettable. Use the shades below to evoke whatever feeling you want them to—and as a guide for bringing out your exterior's best side.

8' CEDAR SHINGLES

Lengthen your curb appeal.

8' Long Length Cedar Shingles siding goes a long way toward making your home exterior the talk of the neighborhood. Its uniquely rich character and grain, and virtually seamless appearance, give light and shadow plenty of room to play while leaving less space for weather and pests to penetrate. Plus the additional length makes this siding style more sustainable, which results in faster installation and less material waste.

Color choices that measure up

Make color part of the style conversation. When it comes to complementing the look of our 8' cedar shingles, these colors speak loud and clear.

- Warmly handsome grain patterned from real cedar shake
- Seamless design
- No painting, no scraping. Virtually no maintenance.
- Assurance™ Fastening System provides a secure, precise installation

HAND-SPLIT SHAKE

Dimension and drama come naturally.

There's something about hand splitting shingles that transforms each individual piece into something enchanting and rustic. The rich, deeply ingrained surfaces of **Portsmouth™ Hand-Split Shake** are patterned from real cedar and carry the same authentic presence and intense shadows as hand-split wood.

Rustic beauty comes in many shades.

Whether it's rich espresso, soothing beige or majestic lighthouse red—or a uniquely complementary combination of colors—you'll find many ways to bring out the best in our hand-split shake siding.

HALF ROUNDS

Truly finish your siding.

Portsmouth™ Half Rounds are a classic way to accent and distinguish your exterior while topping your home with instant curb appeal. Use our half rounds to add visual pop to the simplest cottage or embellish gables for a dramatic finishing touch.

When it comes to making your home stand out, the beauty is in the details.

Top off with your favorite color.

Color plays more than a supporting role in bringing out the charm of your Portsmouth Half Rounds. So take your time choosing the complementary color that best defines your home's texture and personality.

T45 PERFECTION SHINGLES

Attention to detail brings appeal to your curb.

Portsmouth™ T45 Perfection Shingles siding—with its subtle, natural cedar grain and nicely defined shadow lines—transports your home to the coast of New England without the moving costs and, all kidding aside, without the costly maintenance associated with real wood.

The perfect siding comes in the perfect color. For you, that is.

We've made arriving at the perfect color easier with these convenient color options. Color reflects and affects design as much as texture, so keep your favorite shades in mind when deciding what works inside your home and out.
